

Directions to 1405 Lilac Drive North:

Dr. Sethre's and Dr. Dickman's office is located in Golden Valley, just off of Highway 100. Lilac Drive N. is a frontage road on the West side of Highway 100. Take the Golden Valley Road/Duluth St. exit, and look for the only road between the Sinclair gas station and Byerly's.

This road looks like it is going into the strip mall, but bends around behind the gas station. Go about 3 blocks South, past a stop sign and past the small office building on the corner. Take the first entrance to the parking lot for the larger office building, which is 1405 Lilac Drive N.

Look for the blue US Post Office mailbox, and you will find door #1 there. Come in, take a right down the hall, and at the end of the hall, on the right, you will find the entrance to Suites 160, which has several individual offices. Walk through the public waiting room, take a left down the hall, and near the end, on the right, you will find office #F. Come in and have a seat.
